KZ KITCHEN CABINET & STONE

The Company

Founded in 2002, KZ Kitchen Cabinet & Stone, Inc. is a trusted, award-winning community retailer for clients who are looking to build, construct, and design their dream kitchen and bath. As a leading retail company, we have six showrooms, eight warehouses throughout the San Francisco Bay Area, and four manufacturing factories overseas. We specialize in cabinetry, stone countertops, wood flooring, tiles, bath products, and building materials for kitchen and bathroom remodeling. Whether you are looking to upgrade your bathroom or redesign your whole kitchen, our staff is ready to help turn your ideas into reality.

The Services

With over 19 years of experience, we have helped many clients build their dream kitchen and bath. From project designs to installation, we will be there every step of the way.

The Team

KZ Kitchen is driven by our experienced and dedicated employees. Starting off as a small and local business, we value a collaborative and creative work environment to enrich the experiences we provide for our customers. The company's culture centers around our passion to serve the community, whom we recognize as the source of our current and future successes. Our goal is to see continuous growth and tackle challenges head-on.

Quartz

Quartz is an engineered stone. It is durable, antimicrobial, and maintenance-free. Quartz's non-porous surface blocks liquids and stains from penetrating through the stone, and therefore, quartz countertops do not have to be sealed. As quartz is manmade, its slabs usually have a uniform pattern.
