KZ KITCHEN CABINET & STONE, INC.

ABOUT US

KZ Kitchen Cabinet & Stone, Inc. was founded in 2002. After 18 years of development and improvement, we have grown into one of the biggest and leading kitchen and bath remodeling companies in the San Francisco bay area, and your true one-stop shop.

We have three factories in mainland China and one factory in Vietnam manufacturing solid wood kitchen cabinets, vanities, granite, marble, quartz countertops, and wood flooring. We also carry shower surrounds and shower glass doors for bathrooms and many other building materials. Because we produce the materials ourselves, you can be assured that you are getting quality products at great prices.

We have five warehouses totaling 500,000 square feet located in the heart of the San Francisco bay area for convenient pickup, and seven beautifully decorated showrooms (including dealerships) with on-site sales and designers across the south bay to better serve you and your remodeling needs.
